

Abhinandan Singh

Senior Product Designer · UX / UI · Design Systems

Chandigarh, India (Open to Remote / Relocation) | +91 90971 68852 | abhinandansingh77@outlook.com

Portfolio: [abhinandansingh.xyz](#) LinkedIn: [linkedin.com/in/abhinandansingh77](#) Behance: [behance.net/abhinandan77](#)

Senior Product Designer with **6+ years** designing scalable, accessible digital products across **B2B healthcare, OTT/streaming, enterprise SaaS, and e-commerce**. Own end-to-end UX, from user research and workflow mapping to high-fidelity UI, design systems, and developer handoff. Currently lead product design for a large-scale healthcare procurement platform, driving measurable gains in task completion, handoff speed, and **WCAG 2.2 AA** accessibility. Increasingly integrate AI into design workflows for research, ideation, and rapid iteration.

CORE SKILLS

Product & UX: Product Thinking · UX Strategy · User Research · Usability Testing · Information Architecture · Journey Mapping · Interaction Design · Workflow Optimization · A/B Testing

Design Systems: Component Libraries · Design Tokens · Responsive Systems · Figma Variables & Auto Layout · Dev Mode Handoff · Documentation

Enterprise & B2B: Dashboard Design · Complex & Multi-role Workflows · Data-heavy Interfaces · B2B Product Design

Accessibility: WCAG 2.2 AA · Inclusive Design · Annotated Handoffs (focus order, contrast, ARIA notes)

AI-Enabled Design: AI-Assisted Research · Prompt Engineering · Content Ideation · Rapid Design Exploration · Conversational UX

Tools: Figma · FigJam · Miro · Adobe XD · Photoshop · Illustrator · Zeplin · Keynote · HTML/CSS

PROFESSIONAL EXPERIENCE

Senior Product Designer

Mar 2024 – Apr 2026

Cardinal Health

Remote

- Lead UX/product design for **Order Express**, a B2B healthcare procurement platform used by hospitals and pharmacies across the U.S. to source medical supplies and pharmaceuticals.
- Designed ordering workflows, inventory management, and financial-tracking experiences that **increased order-completion rate by 28%**.
- Built and scaled a reusable design system that **cut developer handoff time by 35%** and standardized UI across the platform.
- Delivered **WCAG 2.2 AA**-compliant interfaces with annotated handoffs, partnering with engineering to embed accessibility into the build cycle.

Senior UX Designer

Sep 2022 – Jan 2024

Robosoft Technologies

Remote

- Designed OTT and consumer products including **Discovery+**, **Willow TV**, and **AI Maha Island**, leading cross-device UX across TV, mobile, and desktop.
- Improved content discovery and engagement flows, **speeding up new-screen design by 40%** through reusable patterns and templates.

UX/UI Designer

Oct 2021 – Sep 2022

Deloitte

Remote

- Delivered enterprise-grade UX for Fortune 500 clients (incl. **BPCL**, **DPP**), designing dashboards and workflow-management tools that translated business complexity into usable products.
- Collaborated directly with senior stakeholders to align design with regulatory and operational requirements.

Visual Designer

Jan 2020 – Oct 2021

eClerx

Chandigarh, India

- Created end-to-end digital experiences for global brands including **Dell**, **Sephora**, **DFS**, and **Radisson** across campaign, landing-page, and dashboard ecosystems.
- Partnered with front-end developers to ship pixel-accurate, responsive interfaces supporting omnichannel marketing.

SELECTED IMPACT

+28% order completion **–35%** developer handoff time **+40%** UI production speed **1.5M+** platform audience reach
