Chandigarh, India (Open to Remote Opportunities and Relocation) | +91-8544999007 | hello.abhinandansingh@gmail.com
Portfolio: abhinandansingh.xyz **LinkedIn:** linkedin.com/in/abhinandansingh07 **GitHub:** github.com/singh-abhinandan

Product-focused professional with **6+ years** of experience in **UX/UI design** and hands-on knowledge of **frontend development**. Skilled in **HTML, CSS, JavaScript, React, and Next.js**. Experienced in designing digital products, building reusable design systems, and working with developers to deliver responsive and accessible interfaces. Looking for a **Product Engineer or Frontend Developer** role where I can combine coding skills, product thinking, and design expertise to build better digital products.

TECHNICAL SKILLS

Frontend: HTML5 · CSS3 · JavaScript (ES6+) · React.js · Next.js · Responsive Web Design

Development: Git · GitHub · VS Code · Browser DevTools

Product Engineering: Component-Based UI · Design-to-Code · Design Systems · Accessibility · Cross-Browser Testing

Product & UX: Product Thinking · User Research · Interaction Design · Information Architecture · Usability Testing

Tools: Figma · Miro · Cursor · Claude · ChatGPT

PROFESSIONAL EXPERIENCE

Senior Product Designer
Mar 2024 – Sep 2026

Quess Corp. | Client: **Cardinal Health** *Remote*

- Designed **Order Express**, a healthcare procurement platform used by hospitals and pharmacies across the US.
- Improved ordering workflows, inventory interfaces, and financial tracking experiences, **increasing order completion by 28%**.
- Created reusable design system components and UI patterns, **reducing developer handoff time by 35%**.
- Worked with developers to deliver consistent, responsive, and accessible interfaces.

Senior UX Designer
Sep 2022 – Jan 2024

Robosoft Technologies *Remote*

- Designed digital products for **Discovery+, Willow TV, and Al Maha Island** across mobile, web, and TV.
- Improved content discovery and **increased UI production speed by 40%** through reusable design patterns.

UX/UI Designer
Oct 2021 – Sep 2022

Deloitte *Remote*

- Designed enterprise dashboards and workflow tools for large business clients.
- Worked with stakeholders to turn complex business requirements into clear, easy-to-use interfaces.

Visual Designer
Jan 2020 – Oct 2021

eClerx *Chandigarh, India*

- Designed websites, landing pages, dashboards, and digital experiences for brands including **Dell, Sephora, DFS, and Radisson**.
- Worked with frontend developers to deliver responsive interfaces that matched approved designs.

KEY ACHIEVEMENTS

+28% order completion **AI-Assisted** Frontend Development **+40%** UI production speed
