

Abhinandan Singh

Senior Product Designer • Product Design • Design Systems

abhinandansingh77@outlook.com · +91 90971 68852 · [LinkedIn](#) · [abhinandansingh.xyz](#) · [Behance](#)

PROFESSIONAL SUMMARY

Senior Product Designer with 6+ years designing intuitive, scalable, and accessible digital products across healthcare, OTT/media, e-commerce, and enterprise. Expert in end-to-end product design — from research and information architecture to high-fidelity UI and developer handoff. Builds and maintains design systems, runs usability studies, and drives measurable UX improvements in Agile environments. WCAG 2.1 AA champion with Fortune 500 experience. Integrates AI into design workflows for research acceleration, ideation, and content generation.

CORE COMPETENCIES

- ▶ Product Strategy & UX Research
 - ▶ B2B / B2C Product Design
 - ▶ AI-Enabled Design Workflow
 - ▶ Information Architecture
 - ▶ Cross-functional Collaboration
 - ▶ Product Thinking & Discovery
- ▶ Design Systems & Component Libraries
 - ▶ WCAG 2.1 AA Accessibility
 - ▶ Wireframing & Prototyping (Figma)
 - ▶ Agile / Scrum Workflows
 - ▶ Developer Handoff — Zeplin / Figma Dev Mode
 - ▶ Enterprise Dashboard & Workflow Design

WORK EXPERIENCE

Cardinal Health (via Qness Corp)
Senior Product Designer

Mar 2024 – Present
Remote

Leading product design for Order Express — a B2B e-commerce platform serving U.S. hospitals and pharmacies at scale.

- Designed complex dashboards, transactional flows, and product catalog interfaces, improving task completion and reducing user error rates.
- Led end-to-end UX research: stakeholder interviews, workflow analysis, usability studies, and data synthesis to drive measurable task efficiency gains.
- Built and maintained a structured, responsive Figma component library ensuring consistency and scalability across all product modules.
- Created high-fidelity prototypes and coordinated pixel-perfect developer handoff via Zeplin, reducing implementation discrepancies.
- Championed WCAG 2.1 AA accessibility compliance across core modules and operated within Agile sprint cycles.

Key Achievements

+28% Order Completion Rate	–35% Developer Handoff Time	WCAG 2.1 AA Compliant
----------------------------	-----------------------------	-----------------------

Robosoft Technologies
Senior UX Designer

Sep 2022 – Jan 2024
Remote

Designed OTT and lifestyle platforms — Discovery+, Willow TV, and Al Maha Island Lusail — for global audiences.

- Spearheaded UI design for Discovery+ across TV, mobile, and desktop — improving navigation, content discoverability, and user retention.
- Conducted user research, competitive benchmarking, and usability testing to validate design hypotheses and inform data-driven decisions.
- Created scalable UI frameworks and interactive prototypes that reduced new screen design time by 40%.
- Designed the Al Maha Island Lusail mobile booking app for 1.5M+ annual visitors, optimising ticketing and event management flows.

Key Achievements

+40% Faster Screen Design	Improved Discovery & Engagement	1.5M+ Platform Audience
---------------------------	---------------------------------	-------------------------

Deloitte (Contract)
UX/UI Designer

Oct 2021 – Sep 2022
Remote

Enterprise-grade UX for Fortune 500 clients, focusing on dashboards and workflow management tools.

- Designed enterprise dashboards and workflow management interfaces aligned with Fortune 500 client requirements.
- Collaborated with senior stakeholders to translate complex feedback into actionable UX improvements; ensured WCAG accessibility standards.

End-to-end digital design for global brands: Radisson, DFS, Sephora, and Dell.

- Designed landing pages, dashboards, and digital ad creatives supporting omnichannel marketing campaigns for global brands.
- Partnered with front-end developers to ensure pixel-accurate design implementation; managed multiple concurrent international workstreams.

- Designed print layouts, magazine covers, and digital ads; transitioned to responsive digital web formats in collaboration with developers.
- Established cohesive design systems for print and digital formats, ensuring brand consistency across channels.

KEY PROJECTS

Order Express — Cardinal Health B2B healthcare e-commerce for U.S. hospitals & pharmacies. Led end-to-end UX redesign — +28% order completion, WCAG 2.1 AA compliant. Discovery+ — OTT Platform Cross-device UX (TV, mobile, desktop) for the global streaming platform. Simplified navigation to boost content discoverability. Willow TV — Sports OTT Cricket-focused OTT platform for U.S. audiences with responsive, accessible layouts.	Al Maha Island Lusail — Ticketing App Mobile booking & event management app for 1.5M+ annual visitors in Qatar. Optimised ticketing flows for speed and clarity. Mankind Pharma — MR Dashboard Admin and MR dashboards for business reporting & task tracking — improving data visibility for sales teams. Fairview Website & McDelivery UX Website redesign and food delivery experience design — featured on Behance with strong engagement.

SKILLS & TOOLS

Design Tools	Figma · Adobe Photoshop · Adobe Illustrator · Miro · Keynote
Prototyping	Figma Prototyping · Interactive Flows · Motion Concepts · High-Fidelity & Rapid Prototyping
Product Design	Product Thinking · UX Strategy · Information Architecture · Interaction Design · User Journey Mapping · Workflow Optimisation · Product Discovery
UX Research	User Interviews · Usability Testing · Competitive Benchmarking · Heuristic Evaluation · A/B Testing · Journey Mapping
Design Systems	Component Libraries · Design Tokens · Responsive Systems · Figma Dev Mode · Zeplin · Redline Specs · Component Documentation
Enterprise UX	Dashboard Design · Complex Workflows · Multi-role Systems · B2B Product Design · Data-heavy Interfaces
AI Design Stack	AI Workflow Design · AI-Assisted UX Research · AI Content Ideation · Prompt Engineering · Rapid Design Exploration · AI Feature Concepting · Conversational UX
AI Tools	ChatGPT · Claude · Cursor · Gemini · Perplexity · Figma AI · Midjourney
Front-End	HTML5 · CSS3 · Responsive Design · Design-to-Dev Collaboration
Accessibility	WCAG 2.1 AA · Inclusive Design · Screen Reader Considerations
Soft Skills	Cross-functional Leadership · Stakeholder Communication · Design Critique · Mentoring

EDUCATION & TRAINING

B.A. — M.G. Kashi Vidyapith Varanasi Jun 2013 – Jul 2016	UI/UX Design — Croma Campus Delhi Aug 2019 – Jan 2020	Graphic Design — Njoy Arts Delhi Mar 2017 – Jan 2018
